More than a 90% academic success rate

«Help people to help themselves»

STILE-S works on two platforms of sustainable development in countries that are underdeveloped.

EDUCATION

By supporting the initiatives of families, living in outlying regions, with their efforts to construct schools and receive pedagogical support.

HEALT

To encourage independent food production through small farming projects.

To facilitate access to health care and school cafeteria.

Our mission :

To help in the struggle to overcome suffering within the most vulnerable communities

Who are we? A **registered volunteer organisation** which helps relieve human misery by providing resources to those places, which are the most isolated in outlying regions of Africa and Madagascar : with special focus on children who live in slums.

Administrators : Teams consisting of from 5 to 7 **volunteers**.

Management: a type of credit union ; there are **no administration fees**

Your donations will be used:

1. **Build** schools in isolate areas
2. **Renovate** and remodel schools
3. **Provide** pedagogical support
4. **Install** school cafeterias
5. **Buy** text books for teachers
6. **Give** help to parents to buy school supplies
7. **Buy** animals to be raised with the profits going to help with school cafeteria
8. **Subsidize** the purchase of seeds
9. **Cooperate** with the local ONG who work for the children

A modest donation from you, will be worth tenfold in a third world contry.
